Upon notice of an employee's eligibility to participate in the Defined Contribution Plan, NDPERS will mail a comparison packet of information to the individual. Included in the packet is The Defined Contribution Retirement Program Election SFN 52170. This form is used to notify NDPERS of the member’s election to continue participation in the Defined Benefit Plan or transfer participation to the Defined Contribution Plan. The Defined Contribution Retirement Program Election SFN 52170 must be completed within six months from date of hire or change in classification as a new permanent State employee. The election to join the Defined Contribution retirement program is irrevocable.

For instructions on completing the form, please refer to the back of the form.

**FILING PROCEDURE:** Original to NDPERS – Upon receipt, NDPERS will process the form and provide the employer and employee with a photocopy.
This form must be completed within the first six- (6) months of hire for all temporary and part-time employees who previously elected to participate in the Defined Contribution Plan and who do not qualify for mandatory participation. See member handbook for definition of mandatory participation. It must also be completed for an employee who currently participates in the Defined Contribution Plan whose job status is changing from permanent employment to temporary/part-time employment to indicate whether they will participate or decline to participate in the Defined Contribution Plan. Failure to enroll in NDPERS will result in an irrevocable waiver of participation.

A part-time and temporary employee may not participate in NDPERS as an optional participant if he/she is actively contributing to another employer sponsored pension plan (public or private).

**FAILURE TO COMPLETE THIS FORM COULD LEAVE THE EMPLOYER VULNERABLE TO LEGAL ACTION.**

**FILING PROCEDURE:** Original to NDPERS – Please retain a photocopy for your records.
An employee who is eligible for normal retirement and who accepts a retirement benefit becomes reemployed with a NDPERS participating employer other than the employer with which the employee was employed at the time the employee retired may, before reenrolling in the retirement plan, elect to permanently waive future participation in the Defined Benefit or Defined Contribution plan and the retiree health insurance credit program. An employee making this election is not required to make any future employee contributions to NDPERS nor is the employer required to make any further contributions on behalf of that employee.

Under N.D.C.C. 54-52-01(8), a "Governmental unit" means the state of North Dakota, except the highway patrol for members of the retirement plan created under chapter 39-03.1, or a participating political subdivision thereof. Therefore, North Dakota state agencies are considered one employer group and any member retiring with one state agency and becoming reemployed with another state agency would not be eligible for the provisions of HB 1266. The following retired members may be eligible for the provisions of HB 1266:

Each retired member that becomes reemployed who is eligible to decline future participation in the NDPERS defined benefit/defined contribution plan will be required to complete a "Retirement Plan Membership Waiver SFN 54286". This form will only be available upon request from NDPERS and only after an employee’s return to work has been reviewed.

If a waiver of membership is received prior to reemployment, the retiree will be sent confirmation and notice that his/her retirement benefit payments will not be suspended nor will they receive retirement credit for subsequent employment.

If a retirement membership application is received, NDPERS will research the retiree’s age, if the retiree retired on or after their normal retirement date, he/she will be contacted. The retiree will be given 30 days to waive enrollment in the defined benefit/defined contribution plan and continue receiving retirement benefit payments with no future contributions.

If NDPERS staff receives retirement contributions without an enrollment or waiver on file, the reemployed retiree’s age will be researched. If the retiree retired on or after his/her normal retirement date, the contributions will be suspended and the retiree will be contacted. The member will be given 30 days to either waive or enroll in the defined benefit/defined contribution plan.
If a retiree, under either of the above scenarios, does not respond within 30 days, the default will be to enroll the retiree as an active participant in the defined benefit/defined contribution plan and contributions will be posted accordingly. The member will be sent notice that his/her retirement benefit payments will be suspended and a second account established. Upon termination of employment, the accounts will be combined and retirement benefit payments will resume.

For instructions on completing the form, please refer to the back of the form.

DESIGNATION OF BENEFICIARY FOR THE GROUP RETIREMENT PLAN
SFN 2560

The Designation of Beneficiary form is used to designate and update beneficiaries for retirement benefits.

For FURTHER instructions on completing the form, please refer to the back of the form.

PART A: EMPLOYEE INFORMATION

TO BE COMPLETED BY THE EMPLOYEE

1. Enter all employee information as requested.

Designation of a primary beneficiary other than a spouse or in addition to the spouse is subject to the regulations set forth in Part D of the form.

2. Enter all spouse's information, if applicable.

PART B: PRIMARY BENEFICIARY DESIGNATION

1. List the name(s) of each primary beneficiary.

2. Indicate the beneficiary’s relationship to the member, beneficiary’s social security number, birth date, percent of shares designated, and address. NOTE: If the primary beneficiary's social security number, date of birth, or designated percentage is not provided, the form will be returned.

PART C: CONTINGENT (SECONDARY) BENEFICIARY DESIGNATION

1. The member may designate contingent beneficiaries who will receive the benefits if the primary beneficiary(ies) predeceases the member. Enter all information as requested. Shares for all contingent beneficiaries must equal 100%.

2. DESIGNATED BENEFICIARIES: All beneficiary designations shall equal 100% of the benefit. If the benefit is being divided amongst multiple beneficiaries and the total share does not equal 100%, NDPERS shall amend the designations in order to reach the 100% total, but in no circumstance will NDPERS amend the beneficiary designation by more than (1)%. If an amendment is necessary, the additional percentage shall be credited to the eldest beneficiary. If shares are not designated, NDPERS will distribute benefits equally to the named beneficiary (ies). As this distribution may not reflect the member's preference, we recommend the member be sure to designate the percent of share for each listed beneficiary.

3. The member must sign and date the form. The member's signature must reflect the name as entered in Part A. The designation will be effective when received and executed by the NDPERS office.
PART D: SPOUSAL CONSENT

1. Under North Dakota law, if a member designates a primary beneficiary other than a spouse or in addition to the spouse, the spouse must consent to this designation by signing and dating this section of the form. If spousal consent is not given, notification will be sent to the employee along with a copy of the applicable law.

2. If spouse’s consent is given and if a member’s primary beneficiary election is someone in addition to or in lieu of a spouse, there is no monthly pre-retirement death benefit provision.

FILING PROCEDURE: Original to NDPERS – Please retain a photocopy for your records.
This form is to be used to notify NDPERS of the re-employment of a NDPERS Defined Contribution Plan member. NDCC 54-52.6 requires that a member that previously made an election to become a Defined Contribution Plan participant must remain a participant in this plan unless their new position requires them to be covered under the Teacher’s Fund for Retirement (TFFR), Teacher’s Insurance and Annuity Association College Retirement Equities Fund (TIAA-CREF), Judges Retirement System or the Highway Patrol Retirement System. The information from the Retirement Membership Application must be received before retirement contributions can be credited. Please send this information to NDPERS by the end of the month for which they are being enrolled.

For instructions on completing the form, please refer to the back of the form.

**NOTE:** A Designation of Beneficiary for the Group Retirement Plan, SFN 2560, should accompany the Retirement Membership Application. **HOWEVER, DO NOT DELAY SENDING THE RE-EMPLOYMENT OF A DEFINED CONTRIBUTION PLAN MEMBER FORM IF YOU DON'T HAVE ALL OF THE INFORMATION REQUIRED FOR THE DESIGNATION OF BENEFICIARY FORM.** It is more important for NDPERS to get the Retirement Membership Application--the Designation of Beneficiary may be sent later.

**FILING PROCEDURE:** Original to NDPERS – Please retain a photocopy for your records.

(Rev. 05-2015)
PURCHASE AGREEMENT FOR USERRA COVERED MILITARY ACTIVE DUTY
SFN 17758

This form should be used to notify NDPERS that an employee has returned from active military duty that interrupted NDPERS covered employment and is interested in receiving information about the cost to purchase the months missed during the approved leave of absence. A copy of the employee’s DD214 or NGB22 Discharge Form is also required to verify the interruption of service qualifies under the Uniform Services Employment and Re-employment Rights Act (USERRA).

USERRA’s Impact on the Defined Contribution Plan

An Employment Change Request for a leave of absence must be completed through Employer Self Service indicating the date the member leaves active employment. This should also be completed to notify NDPERS of the member’s return to employment from active duty.

Upon return from active duty, the member may be entitled to have their credit while on active duty recognized by NDPERS for vesting in the employer contribution and benefit eligibility purposes in the retiree health credit (i.e. meeting Rule of 85). A reservist should make application to NDPERS by submitting a written request for the above along with a photocopy of their DD214 form.

In addition, a returning reservist has the option to purchase the service credit not accrued during the leave. Retirement credit may be granted for this purpose upon proper documentation and receipt of past contributions. If the employee elects to purchase the months of service, the credited service is only used in the retiree health credit benefit calculation as the Defined Contribution plan does not provide retirement benefits based on a benefit calculation. The service credit is also counted towards vesting in the employer contribution.

If application is made to the employer, the employer is required to pay the employer portion of the retirement contributions on behalf of a reservist that applies to purchase the missed service. The employer is also required to pay any portion of the employee contribution in the same manner that it would have been paid had the reservist not been activated. If the employer does not pay any or all of the employee contribution on behalf of its employees, the reservist is required to pay the employee contribution in order to receive the service credit.

The salary to be used in determining the cost to receive the credit must be based on the salary that would have accrued had the reservist not been called into active duty, rather than the salary the reservist is earning at the time of inquiry. If the salary cannot be determined, the employee’s average rate of compensation during the 12-month period immediately preceding their call to active duty should be used. The following applies to the payment of purchased credit:

1) The timeframe that the reservist has to pay any required employee contributions to the plan is 3 times the period of active duty or 5 years, whichever is less. If the reservist does not apply and/or purchase during this timeframe, then the employee will not have opportunity to purchase the service in the future as there are not purchase provisions within this plan.

2) If a reservist chooses to make installment payments to the plan to purchase the service, the

(Rev. 05-2015)
plan can not charge interest on the unpaid balance.

3) If the reservist elects to make monthly payments through payroll deduction, then the employer will be required to submit the same amount of monthly payments towards the required employer contribution, as well as any employee contribution that the employer is required to pay. If the reservist elects any other type of installment payment or is not having payments payroll deducted, then the employer will be billed upon the completion of the purchase by the employee for all required employer paid contributions (employee or employer depending on reporting option).

Upon receipt of the Purchase Agreement for USERRA Covered Military Active Duty SFN 17758, NDPERS will compute the cost for the reservist to receive the credit and will send written notification to the reservist and/or employer.

For instructions on completing the form, please refer to the back of the form.

**FILING PROCEDURE:** Original to NDPERS – Please retain a photocopy for your records.
The Verification of Employee Contributions Towards USERRA Active Military Duty SFN 54361 should be used to verify the amount of employee contributions paid by an individual that may be the responsibility of the employer to pay as a result of NDCC 54-52.6-09.4.

As a result of legislation, an employer is responsible for refunding employee contributions to a reservist who submitted payment to NDPERS to obtain USERRA covered active military duty if the employer would have paid the contributions on behalf of the individual had they not been activated. The law is retroactive to October 1, 1994.

1. The employee must complete Part A to authorize the sharing of this type of information between the employer and NDPERS.

2. The employer must complete Part B to provide NDPERS with notification of the reservist and employers intent. Also, they must answer the questions in Part B to assist NDPERS with determining if the provisions of NDCC 54-52.6-09.4 apply.

3. Upon receipt, NDPERS will review the member record and will complete Part C. A copy of the completed verification form will be provided to the member and the employer.

4. The employer is responsible for refunding the returning reservist based on the information provided by NDPERS.

- Name change
- Address change
- Marital Status change
- Telephone Number change
- E-mail Address change
- Contact Change

If someone other than the authorized agent or member signs the form, it will be returned for the proper signature.

For FURTHER instructions on completing the form, please refer to the back of the form.

1. Complete a martial status change whether there is a name change or not.

2. In cases of marital status change, it is necessary that the member complete a new Designation of Beneficiary SFN 2560 and Life Insurance Designation of Beneficiary SFN 53855

FILING PROCEDURE: Original to NDPERS – Please retain a photocopy for your records.
NOTICE OF TRANSFER
SFN 53706

All instructions, terms and conditions are in the NDPERS Notice of Transfer Kit.

If the employee will not begin employment with a new participating agency within 31 days from the date of employee’s last regular pay check with your agency, a separation of employment kit must be completed by both the employee and the authorized agent.

Plan Document Article 6.1: “Termination of employment” means a severance of employment by not being on the payroll of a covered employer for a minimum of one month. Approved leave of absence does not constitute termination of employment.

Often employees will terminate their position with an employer participating in NDPERS and take a job with another employer who is also participating in NDPERS. Please note, if you have an employee who is transferring into or out of your agency during the month, it is required that you make a contribution for the partial month. Therefore, NDPERS will receive contributions from both employers during the month that the transfer occurs.

1. Retirement service record will transfer if new employer participates with NDPERS. A member will remain a participant of the Defined Contribution plan unless their new position requires participation in the ND Highway Patrol, Teacher’s Fund for Retirement or the TIAA-CREF system through the ND University System.

2. In recognition of the fact that the current employer may not be aware of the circumstances regarding a departing employee’s employment plans and subsequently a new employer will not receive any transfer information, NDPERS has developed a series of scenarios along with the required administrative procedures to follow depending on the particular situation. These procedures are designed to ensure transfers are processed consistently based on “what the employer knows at the time of separation of employment.”

Situation: Current employer knows the employee is transferring to another covered employer:

1. Complete the Notice of Transfer Kit which contains the NOTICE OF TRANSFER FORM
2. Send the NOTICE OF TRANSFER FORM to the new employer

(Rev. 05-2015)
**Situation:** Current employer has no knowledge that terminating employee is transferring to another covered employer:

1. Current employer and employee completes the appropriate separation of employment kit
2. Send the complete kit to NDPERS
3. NDPERS will process accordingly in absence of any other information.

**Situation:** New employer receives a NOTICE OF TRANSFER FORM from a participating employer.

1. Do not have transferring employee complete new enrollment forms for plans indicated in Part C of the NOTICE OF TRANSFER FORM
2. Set up employee with benefits according to the information provided in Part C of the NOTICE OF TRANSFER FORM
3. Have employee complete enrollment forms for programs not previously enrolled in through previous employer
4. Submit any enrollment forms to NDPERS

**Situation:** New employer is not aware a new employee is a transfer from another participating employer. Previous employer processed as a separation of employment and employee does not provide the information.

1. Have new employee complete all required enrollment forms
2. Send the enrollment forms to NDPERS
3. If there is an existing record, and the hire date is within 31 days of separation from previous employer, NDPERS will notify you that employee is a transfer from another participating employer and will:
   a. Void the enrollment forms for any programs that employee previously participated in.
   b. Complete Parts A-D of the Notice of Transfer form and send it to new employer.
   c. Employer will set up benefit record according to information provided in Part C of transfer form
   d. Employer must complete Parts E and F on the form and return it to NDPERS

**Situation:** New employer is aware a new employee is a transfer but previous employer treated as a separation of employment and did not complete a Notice of Transfer Form

1. Complete Parts A, E, and F of the NOTICE OF TRANSFER FORM.
2. Send the NOTICE OF TRANSFER FORM to NDPERS
3. If hire date is within 31 days of separation from previous employer, NDPERS will complete Part C based on existing record and return the form to the new employer
4. Have employee complete enrollment forms for programs not previously enrolled in through previous employer
5. Employer will set up the benefit record accordingly

(Rev. 05-2015)
See the FlexComp Plan and the Group Insurance Sections for further details.

For FURTHER instructions on completing the form, please refer to the back of the form.

Under Federal regulations, the "Safe Harbor Explanation" must be given to the terminating employee a minimum of 30 days prior to a refund or rollover, but not more than 120 days prior.
