## **ENROLLMENT PERIODS**

The Health Insurance Portability and Accountability Act (HIPAA) is intended to ensure portability of vision coverage for those individuals who must move from one plan to another as a result of loss of coverage under any other vision insurance plan. The act also specifies that plans allow special enrollment opportunities for employees and prohibits using health status (medical underwriting) as a basis for group vision insurance eligibility. The special enrollment periods allow an individual to enroll in the plan without any restrictions and are defined as follows:

- Within 31 days of date of hire for eligible new employees. Coverage is effective the first of the month following the date of hire.
- Add a spouse within 31 days of marriage. An employee who previously waived coverage is eligible to enroll in the plan at the same time that the employee's spouse is enrolled. Coverage is effective the first of the month following the date of marriage.
- Add a dependent within 31 days of birth or adoption, or placement for adoption or receiving legal guardianship, or court order to provide vision coverage. An employee and other dependents that previously waived coverage are also eligible to enroll in the plan at the same time that the employee's dependent is enrolled. If the qualifying event is birth, coverage for the newborn is effective the first of the month in which the birth occurred. If the qualifying event is due to adoption or placement of a child, the coverage effective date is the first of the month in which the adoption or placement occurs. If the qualifying event is legal guardianship or court order, the coverage effective date is the first of the month following the legal guardianship or court orders. Proof of the adoption, placement, legal guardianship or court order will be required.
- Within 31 days of loss of coverage under any other vision insurance plan due to death, divorce, or loss of spouse employer sponsored coverage. The employee must make application to obtain coverage within 31 days of loss of coverage. Note: the employee can only enroll themselves and dependents for coverage if the employee and/or their dependents lost coverage due to the life change event. Coverage is effective the first of the month following the loss of coverage date. A Certificate of Insurance showing the last date of coverage will be required from the previous carrier.

The following enrollment criteria will apply to individuals who enroll outside the special enrollment periods (late enrollees) previously listed:

- Late enrollees may enroll during the annual open enrollment period. Coverage will be effective January 1.

## **CHANGES/ADDITIONS**

**Add Dependents:** An employee must complete and file a new form within 31 days of marriage, or the birth/adoption of a child. If application is not made within 31 days, dependents may be added during a designated annual enrollment season.

**Delete Dependents:** An employee must complete and file a new form with NDPERS by the end of the month prior to the 1<sup>st</sup> of the month in which the change in coverage is to take place. Dependents must be removed due to divorce, death, or dependent child no longer eligible. (See COBRA section).

**Cancellation of Coverage:** Effective January 1, 2018, individuals that participate in the NDPERS vision plan will be required to have coverage for a full calendar year. Coverage may only be cancelled during the calendar year if the individual terminates employment. Individuals will be able to increase or decrease their level of coverage subject to qualifying events and application within 31 days of the event.

During an unpaid leave under the FMLA, an employee may continue vision insurance coverage at his/her own expense.

**Payroll is required to submit a notice to NDPERS that indicates the beginning and ending dates of the leave.** You must continue to collect the employee's monthly premium and submit it with the monthly billing for employees who elect to continue their coverage.

• **USERRA Leave of Absence**

For leaves of less than 31 days, benefits continue as if the member has not been absent. For leaves of 31 days or more, coverage may be continued for the employee and any eligible dependents until the earliest of the following:

- 24 months from the last day of employment with the Employer (COBRA);
- the day after the employee fails to return to work; and
- the date the policy cancels.

If the member elects COBRA continuation, a Continuation of Group Insurance Coverage, SFN 14120 must be completed and submitted to their payroll/human resource office or NDPERS. If the member does not elect COBRA continuation while on leave, he/she must submit a letter to payroll outlining this intention. Send all letters requesting changes in coverage to NDPERS. If coverage is cancelled during the leave, the member may reapply for coverage within 31 days of the date they return to active employment. A copy of the discharge papers must accompany the Group Vision Application. Coverage will be reinstated and all services per the benefit schedule will be available. **Administrative Code Chapter 71-02-01-01(24): "Termination of employment" means a severance of employment by not being on the payroll of a covered employer for a minimum of one month. Approved leave of absence does not constitute termination of employment.**

Often employees will terminate their position with an employer participating in NDPERS and take a job with another employer who is also participating in NDPERS.

√ If enrolled in the vision plan, no change in level of insurance coverage is allowed.

If employee transfers employment from one participating employer to another participating employer without terminating eligible employment, and in recognition of the fact that the current employer may not be aware of the circumstances regarding a departing employee's employment plans and subsequently a new employer will not receive any transfer information, NDPERS has developed a series of scenarios along with the required administrative procedures to follow depending on the particular situation. These procedures are designed to ensure transfers are processed consistently based on "what the employer knows at the time of separation of employment.

**Situation: Current employer knows the employee is transferring to another covered employer:**

1. Complete the Notice of Transfer Kit, which contains the Notice of Transfer form.
2. Send Notice of Transfer form to the new employer

**Situation: Current employer has no knowledge that terminating employee is transferring to another covered employer:**

1. Current employer and employee complete the appropriate separation of employment kit
2. Send the complete kit to NDPERS
3. NDPERS will process accordingly in absence of any other information.

**Situation: New employer receives a Notice of Transfer Form from a participating employer.**

1. Do not have transferring employee complete new enrollment forms for plans indicated in Part C of Notice of Transfer Form
2. Set up employee with benefits according to information provided in Part C of Notice of Transfer Form
3. Have employee complete enrollment forms for programs that previous employer did not offer but are now available through new employer
4. Submit any new enrollment forms to NDPERS

**Situation: New employer is not aware a new employee is a transfer from another participating employer. Previous employer processed as a separation of employment and employee does not provide the information.**

1. Have new employee complete all required enrollment forms.
2. Send the enrollment forms to NDPERS.
3. If there is an existing record, and the hire date is within 31 days of separation from previous employer, NDPERS will notify you that employee is a transfer from another participating employer and will:
  - a. Void the enrollment forms for any programs that employee previously participated in.
  - b. Complete Parts A-D of the Notice of Transfer Form and send it to new employer.
  - c. Employer will set up benefit record according to information provided in Part C of the Notice of Transfer Form
  - d. Employer must complete Parts E and F on the Notice of Transfer Form and return it to NDPERS

**Situation: New employer is aware a new employee is a transfer but previous employer treated as a separation of employment and did not complete a Notice of Transfer Kit.**

1. Complete Parts A, E, and F of the Notice of Transfer Form.
2. Send Notice of Transfer Form to NDPERS.
3. If hire date is within 31 days of separation from previous employer, NDPERS will complete Part C based on existing record and return the form to the new employer.
4. Have employee complete enrollment forms for programs that previous employer did not offer but are now available through new employment.
5. Employer will set up the benefit record accordingly.
